Customer: Kreysler & Associates

Location: 501 Green Island Rd., American Canyon, CA 94503

Listing No.: B1033-1, Edition 3

Effective Date: August 30, 2011

Last Revised: May 20, 2013

Expires: N/A

Standards: ASTM E84 – "Standard Test Method for Surface Burning Characteristics of Building Materials"

Product: Fire resistant composite panels for interior and exterior architectural applications, constructed from fiberglass and fire retardant resin.

Markings: Products are labeled with the following: Manufacturer's Name, Address of manufacture, Product name, Date of Manufacture, QAI logo with the "US" identifier, QAI listing number, Unique part number, "ASTM E84 Class A"

Models:

<u>Product Name</u>	<u>Flame Spread Index (FSI)</u>	<u>Smoke Developed Index (SDI)</u>	<u>Rating</u>	<u>Thickness Range</u>
Kreysler Fireshield with Kastone	20	250	Class A	1/8-inch to 3/8-inch
Kreysler Fireshield	20	250	Class A	1/8-inch to 3/8-inch
Fireshield 285 with Kastone	15	350	Class A	1/8-inch to 3/8-inch

Note: The product was tested in the flat configuration. Installation of this product must comply with local building codes and is subject to inspection by the authority having jurisdiction. The ASTM E84 standard does not address all possible end use concerns. It is the responsibility of the end user of the product to determine the suitability of the product for the intended application.

The materials, products or systems listed in this directory have been qualified to bear the QAI Listing Mark under the conditions stated with each Listing. Only those products bearing the QAI Listing Mark are considered to be listed by QAI.

No warrantee is expressed or implied, and no guarantee is provided that any jurisdictional authority will accept the Listing found herein. The appropriate authorities should be contacted regarding the acceptability of any given Listing.

Questions regarding this listing may be directed to info@qai.org. Please include the listing number in the request.
